IELTS 2025

Exam preparation course

IELTS is designed to test the language ability of students who want to study or work where English is used as the language of communication. **IELTS** is the world's most popular English test for higher education with over 2.5 million tests taken each year, therefore, it is widely accepted as part of university recruitment or admission procedures. **IELTS** candidates receive a test report with a score on a scale of **4.0 to 9.0**, equivalent to the *Common European Framework of Reference* levels B1, B2, C1 or even C2. **IELTS** band scores can provide a reliable comparison between *Cambridge English Scale* scores. There is no pass or fail result. **IELTS certificates are valid for two years**. Bede's Brighton students will sit a **paper-based** version of the **IELTS Academic exam**. The exam takes places in an authorised **IELTS** exam centre in Brighton. Please note that the exam is on Saturday, therefore students depart on Sunday. A complimentary night is included in the course fees. For more information, please visit our website.
